

The logo features the word "FITLEGS" in a bold, white, sans-serif font, with a trademark symbol (TM) to its upper right. The text is centered within a dark blue circular background. This circle is set against a larger, dark blue background filled with several overlapping, semi-transparent, colorful shapes in shades of blue, green, orange, and yellow, creating a dynamic, abstract pattern.

FITLEGS™

THE IDEAL COMPRESSION SOCKS FOR WORK AND TRAVEL

FITLEGS Everyday is a comfortable, microfibre sock that uses graduated compression to help prevent Deep Vein Thrombosis. This compression profile is proven to improve blood flow and help to prevent tired, swollen and aching legs.

- Helps to prevent DVT
